

Graphic Designing Tasks & Instructions — CodeAlpha

Graphic Designing — Internship Overview

This internship program offers creative and practical experience in visual design and branding. CodeAlpha is a leading software development company that values compelling visuals and user-centric design. The internship empowers students to work with tools like Adobe Photoshop, Illustrator, Figma and Canva to create logos, social media creatives, UI designs, and marketing assets. Interns will learn the fundamentals of design principles, color theory, typography and visual storytelling. With expert guidance and real-world projects, interns will develop a strong portfolio and professional design skills in a collaborative environment.

Internship Perks

- Internship Offer Letter

`CodeAlpha_ProjectName`
 4. Post a **video explanation** of your project on LinkedIn.
 5. Submit your completed task using the **Submission Form**.
 6. **Complete any 3 or 2 out of the 4 tasks** listed below (from your domain).
-

Graphic Designing Task List

(Complete any 2 or 3 of the following tasks)

TASK 1: LOGO REDESIGN

Objective: Redesign the **existing logo** to give it a fresh, modern look.

Key Focus Areas

- Maintain **brand identity** while enhancing visual appeal.
- Apply **modern design trends** and techniques.
- Create multiple variations and explain the design logic.

Tools: Adobe Illustrator, CorelDRAW, Figma, Canva.

✓ TASK 2: USER INTERFACE DESIGN

Objective: Design **UI/UX** for web and mobile applications.

Key Deliverables:

- **Wireframes, mockup and clickable prototypes.**
- Focus on **user flow**, **intuitiveness** and **aesthetic alignment**.
- Collaborate on real-time projects to test UI effectiveness.

Tools: Figma, Adobe XD, Sketch, InVision.

✓ TASK 3: TYPOGRAPHY PRACTICE

Objective: Master the **art of typography** to enhance visual communication.

Skills to Develop:

- Experiment with **font pairing, hierarchy, spacing, and alignment**.
- Create impactful **text-based designs**.
- Understand the psychological effect of different type styles.

Tools: Adobe Illustrator, Photoshop, Canva.

✓ TASK 4: STORYBOARDING DESIGN

Objective: Design **storyboards** to visualize narratives and user journeys.

Key Focus Areas:

- Break down concepts into **visual scenes or frames**.
- Develop compelling sequences for **videos, animations, or user flows**.
- Collaborate with content creators and animators for execution.

Tools: Storyboard That, Adobe Illustrator, Photoshop, Procreate.

Important Note

Internship Completion Criteria:

To be eligible for the internship certificate, participants must complete a minimum of **two or three tasks**. Submitting only one task will be considered **incomplete** and certificates will **not** be issued in such cases.

Submission Details

A submission form will be shared in your respective **WhatsApp group**. You are required to submit your completed task only through that form. Please follow the instructions mentioned in the form carefully to ensure your submission is accepted.
