

Human Resource Management — CodeAlpha

Human Resource Management — Internship Overview

This internship program by **CodeAlpha** provides practical exposure to the **principles and practices of Human Resource Management (HRM)**. Interns will learn how HR plays a critical role in building strong organizations through recruitment, employee engagement, training, performance management, and compliance.

The program focuses on mastering **HR policies, recruitment processes, talent acquisition, payroll basics, and employee development strategies**. Interns will work on real-world assignments such as **drafting HR policies, designing job descriptions, analyzing employee satisfaction, and studying modern HR trends**.

By the end of the internship, participants will have a solid understanding of **HR functions, documentation, and workforce management**, preparing them for roles in **HR operations, recruitment and organizational development**.
